Savin 2555. Increased Productivity,

Performance and Profitability

At 55 copies per minute, the Savin 2555 high-volume digital copier with optional network printing delivers increased document management productivity and reduced overall document output costs. Engineered to meet the rigors of Enterprise Workgroups and Print-On-Demand environments – including Central Reproduction Departments, Facilities Management and Print-For-Pay – the 2555 will streamline all aspects of the document workflow.

Technology That's Liberating

The 2555 incorporates advanced digital imaging and connectivity capabilities that optimize document management productivity.

Because All Documents Are Not Created Equal

With the innovative Document Server, you'll manage your documents with ease. Whether they exist on paper, on your computer, or both, the Document Server is the key to efficient management of all document types. A generous Hard Disk Drive and advanced file merge and file sort capabilities unlock a distinctive Print on Demand solution.

- If you copy – or print – certain business documents on a regular basis, the Document Server eliminates the need to re-scan – or re-transmit – them. Just send electronic files – or scan hardcopy – to the Document Server for storage and then output them as needed.
- If you create documents that contain a mix of electronic files and hardcopy, let the Document Server completely

automate this time-consuming task.

Easily merge documents stored in the Document Server regardless of how those documents arrived there.

- If you produce highly confidential documents, ensure that they stay that way with the Document Server. Simply assign a private pin code to documents headed for the Document Server and you'll be the only one who can retrieve them.

Because Tight Deadlines Are A Fact Of Life

Instantly double your throughput capability by connecting two 2555's with the Connect Copy/Connect Print options.

- Split large jobs between two 2555's for an effective output rate of 110 CPM/PPM.
- Ensure job integrity – if copying/printing stops for any reason on one system, the job automatically shifts to the other for completion.
- Take advantage of automatic backup protection – if one system is inoperable for any reason, the other one is ready to work.

Production Quality From Start to Finish

Intelligent engineering results in a vast array of features designed to provide exceptional productivity.

The Digital Advantage

Digital technology really makes a difference when it comes to day-to-day production tasks...

- Enjoy professional image quality with 600 x 600 dpi resolution, 256 Levels of Gray Scale and a patented Auto Noise Cleaning System.
- Enhance user productivity and protect delicate originals by scanning them once, regardless of the number of copies required.
- Eliminate trial and error copying – along with the associated costs – thanks to the 2555's Original Orientation and Sample Copy capabilities.

Reduced Costs.

FEATURES
> 55 copies/prints per minute
> 600 x 600 dpi resolution
> advanced digital features
> maximum 7,750-sheet paper capacity from up to 5 sources
> Document Server manages hardcopy and electronic files
> Print controller option for network production printing
> Connect Copy and Connect Print options for twice the productivity

Quickly and easily create professionally finished documents.

Performance-Oriented

- Efficiently process jobs that consist of more than 100 originals – sheet, bound or any combination – using Batch Mode.
- Scan and program multiple jobs or cancel jobs with the 2555's extensive Job Preset function.
- Reduce paper consumption – along with the space required for hardcopy storage – with standard Automatic Duplexing.
- Automatically create paginated documents complete with Front and Back Covers, Paper Designates and Chapters.
- Produce precisely organized and professionally finished booklets and manuals using the Booklet/Magazine Mode and the 50-Sheet Stapler with optional 2- or 3-Hole Punch.

Network For Success

Add the optional Print Controller and further leverage your existing LAN technology investment. Offering support for a wide variety of network platforms, a

connected 2555 enables you to access any feature available to walk-up users at the 2555's Control Panel from your desktop via the 2555's standard PCL or optional Adobe PostScript Print Drivers – Covers, Chapters, Page Numbers, Stamps, Stapling and/or Punching – you name it, you can do it!

No Compromises Here

If you're looking for the perfect balance of advanced document management functionality and a positive contribution to the bottom line – the Savin 2555 is just what your accountant ordered! For more information, contact your authorized Savin sales location.

For more information contact your authorized Savin sales location.

The 2555 can hold a variety of paper sizes, colors and specialty media to meet the needs of all types of jobs.

An innovative Tandem Paper Tray holds 3,100 sheets of letter size paper. When one side empties, the other automatically moves into position for uninterrupted printing or copying.

Add the optional 3,500-sheet Large Capacity Tray and increase your paper supply to a total of 7,750 sheets from five sources – more than enough to satisfy the demands of even the busiest environments.

COPIER SPECIFICATIONS

Configuration	Console
Printing Process	Dual laser beam scanning and electro-photographic printing
Copy Resolution	600 x 600 dpi
Gray Scale	Scanning: 256 levels
Standard Memory Capacity	48 MB RAM/20 GB HDD
Document Server	Store up to 200 files
Continuous Copy Speed	55 cpm (8.5" x 11")
Copy Size	5.5" x 8.5" - 11" x 17"
First Copy	Less than 3.5 seconds
Originals	Sheet/Book/3 dimensional
Max. Original Size	11" x 17"
Min. Original Size	5.5" x 8.5"
Warm-up Time	330 seconds
Multiple Copying	Up to 999
Auto Duplex	Unlimited
Standard Paper Capacity	1,550 x 2 Tandem Tray + 550 x 2 Trays + 50 sheet Bypass
Optional Paper Capacity	3,500 sheet LCT (total capacity 7,750)
Output Tray Capacity	
500 sheets	8.5" x 11"/8.5" x 14"
250 sheets	All other sizes
Zoom Range	25% to 400% in 1% steps
Enlargement	121%, 129%, 155%, 200%, 400%
Reduction	93%, 85%, 78%, 73%, 65%, 50%
Copy Paper Weight	14 - 34 lb. Bond (Std. Trays) 14 lb. Bond - 90 lb. Index (Bypass Feed) 17 - 28 lb. Bond (Duplex)
Dimensions (WxDxH)	27.2" x 29.5" x 44.8" (includes ARDF)
Weight	414 lbs.
Power Source	120V, 60Hz, 20A

PRINTER SPECIFICATIONS

Print Speed	55 PPM
CPU	266 Mhz
Interface	Parallel IEEE 1284 (Standard) 10/100BaseT NIC (Optional)
Network Protocol	TCP/IP, IPX/SPX, AppleTalk (Auto Switchable)
Memory Capacity	32 MB
Printer Hard Disk Drive	6 GB (optional - for font download)
Language	PCL5e/PCL6 (Standard) Adobe PostScript 3 (Optional)
Print Resolution	PCL5e: 300/600 dpi PCL6: 300/600 dpi PS3: 600 dpi
Fonts for PCL 6	35 Intellifonts, 10 TrueType Fonts, 1 Bitmap Font
Fonts for PS3	136 PostScript Fonts
Drivers for PCL 5e/6	Windows 95/98/Me/NT/2000/XP
Drivers for PS3	Windows 95/98/Me/NT/2000/XP, Macintosh 8.6 or later
Utility	SmartNetMonitor

STANDARD ACCESSORIES

Document Feeder	
Original Size	5.5" x 8.5" - 11" x 17"
Original Weight	14 - 42 lb. Simplex/14 - 34 lb. Duplex
Copying Speed	55 OPM
Original Table Capacity	100 sheets
Original Set	Face Up
Original Feed	Automatic Feed

OPTIONAL ACCESSORIES

Large Capacity Tray (RT44)	
Paper Size	8.5" x 11"
Paper Capacity	3,500 sheets
Paper Weight	16 - 24 lb. Bond
Dimensions (WxDxH)	15.9" x 20.9" x 24.0"
Weight	49 lbs.

FINISHER (SR870)

Type	Floor Standing
Shift Tray	
Stack Capacity	3,000 sheets (8.5" x 11", 20 lb.) w/o Punch 1,500 sheets (8.5" x 14" & larger, 20 lb.) w/o Punch 100 sheets (5.5" x 8.5" SEF) w/o Punch 2,500 sheets (8.5" x 11", 20 lb.) with Punch 1,500 sheets (8.5" x 14" & larger, 20 lb.) with Punch 100 sheets (5.5" x 8.5" SEF) with Punch
Paper Weight	14 - 42 lb. Bond/17 - 20 lb. Bond Staple
Staple Capacity	50 sheets (8.5" x 11" & smaller, 20 lb.) with Punch 30 sheets (8.5" x 14" & larger, 20 lb.) with Punch 40 sheets (8.5" x 11" & smaller, 20 lb.) w/o Punch 25 sheets (8.5" x 14" & larger, 20 lb.) w/o Punch 8.5" x 11", 8.5" x 14", 11" x 17"
Staple Paper Size	
Staple Positions	Top, Bottom, Two Staples, Top Slant
Proof Tray	
Paper Sizes	5.5" x 8.5" - 11" x 17"
Paper Weight	14 - 42 lb. Bond
Stack Capacity	250 sheets (8.5" x 11" & smaller, 20 lb.) w/o Punch 50 sheets (8.5" x 14" & larger, 20 lb.) w/o Punch 200 sheets (8.5" x 11" & smaller, 20 lb.) with Punch 50 sheets (8.5" x 14" & larger, 20 lb.) with Punch
Dimensions (WxDxH)	24.7" x 21.5" x 37.8"
Weight	99.3 lbs.

OTHER OPTIONS

Connect Copy Type 700
Copy Tray Type 1075
8.5" x 14" Tray Type 1055
Punch Kit Type 850 (3-hole)
Punch Kit Type 850 (2-hole)
Print Controller Type 1055
PostScript 3 Type 700
Printer Hard Disk Type 850
Network Interface Board Type 450-E
